Bilateral Meetings

- Friday (02:00 pm - 07.00 pm) Please add the cooperation profile
- Saturday (10:00 am - 01:00 pm) Please add the cooperation profile

Description

Created since 2012, Sirea-Afrique, a subsidiary of Sirea Group (based in France), aims to develop solutions in Africa adapted to the African context. The electricity, automatism, supervision and renewable energies are its areas of expertise. Sirea-Afrique produces and assembles systems and/or components of management, control and monitoring facilities in the fields of energy, water, environment, mining and telecommunications and their marketing to African societies. Sirea-Afrique contributes to the comfort of the people (public and private sector, individual / household), for energy needs thanks to its expertise in the field. Its activities include: A. Business: hybrid inverters, photovoltaic modules, lamps and solar kits, solar cables and solar batteries and other accessories B. Audits, expertises, Assistance & Advice C. Design office & Engineering: photovoltaic systems, hybrid & bioenergy D. Capacity building.
