- Friday (02:00 pm - 07.00 pm) Please add the cooperation profile

Description

We offer assistance and we work with business investors, entrepreneurs, finance managers, human resources, commercial and marketing areas. Our goal is to help our customers improve profitability and optimize the financial structure of their company. We provide results using our collective managerial experience, professional networks, and our in-depth knowledge of market dynamics, operational management and business processes. We are a team of professionals with over 20 years of experience who have worked in management positions for companies in Italy and abroad. Our experience encompasses contributing to revitalization strategy, financial restructuring, development and internationalization of products and companies in new and emerging markets.
