Description

Our Roasting Company follows the artisan procedures in each stage of its production.

It means that, in order to allow coffee to reach its perfect structure, we respect time for cooking, for cooling down and for decanting the coffee.

Aroma, colour and quality taste are essential for Chicco Caffè products.

We supply the Ho.Re.Ca sector and we also enhance a proper ground coffee range.

Four blends may be considered.

We guarantee an Italian artisan coffee in all its features.

Roasted Coffee is proposed not only in beans but also ground in 250gr package (new packaging), in pods and in capsules.

Beyond the product, there is the respect for the work we believe in.
