Description

Invest in Lombardy is the service for attracting foreign investments into Lombardy Region. The project is promoted by the Lombardy Region, Unioncamere Lombardia, the Lombardy Chambers of Commerce network and Promos the Special Agency of the Milan Chamber of Commerce. We provides a number of free services to facilitate the business and follow the company step by step in the investment process. Invest in Lombardy is structured as network that guides the investors throughout the whole start-up process: 12 provincial centres and qualified private partners (consultancy firms, professional studios, banks and real estate agencies). We have in-depth knowledge of the Lombardy region which helps us to pinpoint competitive advantages for every single business and suggest opportunities in each province. Invest in Lombardy is your investment partner: our vision is Build a value proposition along with the potential foreign investors that results in a successful investment in Lombardy and Promote Lombardy worldwide as a successful Italian and Mediterranean business hub.
